Recommended amounts set forth below:

Total Appropriated (by municipality):		Total Raised (and District assessments by municipality):	
Town of Appleton	\$ 1,031,826.90	Town of Appleton	\$ 329,960.18

School Board Recommends \$656,500

Explanation: Non-state-funded debt service is the amount of money needed for the annual payments on the District's long-term debt for major capital school construction projects that are not approved for state subsidy. The School Board Recommends \$4,321,987.73, which exceeds the State's Essential Programs and Services allocation model by \$4,321,987.73.

The School Board gives the following reasons for exceeding the State's Essential Programs and Services funding model: Those budget items not fully funded by the State that require local funding represent a broad array of existing programs including drama, athletics, instrumental and vocal music, art, photography, and Advanced Placement courses. In addition, supplemental local funding is needed for community use of the facilities occurring outside of the regular school day.

Explanation: The additional local funds are those locally raised funds over and above the District's local contribution to the total cost of funding public education from grade 9 to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state funded debt service that will help achieve the District budget for educational programs.
