

## FIVE TOWN CSD POLICY

### BULLYING AND CYBERBULLYING PREVENTION IN SCHOOLS

#### I. Introduction

It is our goal for our school to be a safe and secure learning environment for all students. It is the intent of the Five Town CSD Board to provide all students with an equitable opportunity to learn. To that end, the Board has a significant interest in providing a safe, orderly, and respectful school environment that is conducive to teaching and learning.

Bullying and other forms of peer mistreatment are detrimental to the school environment as well as student learning, achievement, and well-being. Peer mistreatment interferes with the mission of the schools to educate their students and disrupts the operations of the schools. Bullying and other forms of peer mistreatment affect not only students who are targets but also those who participate in and witness such behavior. These behaviors must be addressed to ensure student safety and an inclusive learning environment.

It is not the Board's intent to prohibit students from expressing their ideas, including ideas that may offend the sensibilities of others, or from engaging in civil debate. However, the Board does not condone and will take action in response to conduct that interferes with students' opportunity to learn, the educational mission of the Five Town CSD, and the operation of the school.

#### II. Prohibited Behavior

The following behaviors are prohibited:

- A. Bullying;
- B. Cyberbullying;
- C. Harassment and Sexual Harassment (as defined in board policy ACAA);
- D. Retaliation against those reporting such defined behaviors; and
- E. Making knowingly false accusations of bullying behavior;
- F. Any person who engages in any of these prohibited behaviors that constitute bullying shall be subject to appropriate disciplinary actions.

- D. **"Substantiated"** means that the outcomes of the investigation on the Responding Form (JICK-E2) provide clear evidence to prove that bullying or cyberbullying, as defined in policy, did occur.
- E. **"Alternative discipline"** means disciplinary action other than suspension or expulsion from school that is designed to correct and address the root causes of a student's specific misbehavior while retaining the student in class or school, or restorative school practices to repair the harm done to relationships and persons from the student's misbehavior.
